Water Rents Are Due.

Water rents for the six months ending September 30, 1900, are now ready. If paid on or before June 30, 1900, a discount of 10 per cent will be allowed. **THE CITY WATER BOARD.**

## BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

The council committee on finance has been called to meet this evening.

The river front was a favorite strolling place for many people last night, who were anxious to find cooler air.

Owing to the influx of "electric light" bugs at the city building last night, all the lights with the exception of one were turned off in Chief Clams' office, and by the weak illumination from the solitary lamp Night Lieutenant Dan Ingram moved his 250 pounds about, answering the telephone and attending to the other duties of the office. The bugs swarmed around the building in great profusion, covering the steps on the sixteenth street side and the floors inside. One man remarked that the bugs were holding a convention, and the scene of carnage suggested one of the Populistic brand.

## WHEELING KNIGHTS FAVORITES

At Philadelphia for the National Competitive Drill of Knights of St. John.

## COMPANY NO. "FORTY-FOUR"

Departed Yesterday Morning on Special Cars, and Arrived Safely Last Evening.

Yesterday morning the Wheeling Knights of St. George, some forty strong, under command of Captain Geo. J. Mathison, departed over the Pan Handle for Philadelphia to attend the annual convention of the order of Knights of St. John, with which the knights are affiliated as Commandery No. 44. A number of ladies were in the party. The local delegates to the convention are Messrs. George J. Mathison, T. S. Riley, John J. Coniff and Dr. C. A. Wingerter. The feature of most interest locally is the competitive drill on Tuesday, in which the Wheeling commandery's drill squad of twenty-one knights will compete, and Captain Mathison wires from Philadelphia to the Intelligencer that the Wheeling boys are favorites for first prize.

## Special Dispatch to the Intelligencer.

**PHILADELPHIA, June 24.**—Among the commanderies of the Knights of St. John that arrived to-day was Commandery No. 44, of Wheeling. The boys from Wheeling arrived at 6:30 this evening and at once created a stir among the throngs at the depot and on the streets by their natty appearance. A burst of applause greeted the boys as they swung through the Pennsylvania depot, clad in their very attractive fatigues uniform, consisting of white and black cap, black regulation coat and duck trousers. Philadelphia people expressed themselves as much pleased at the entrance the Wheeling boys made into the city. It is the general impression that West Virginia will carry off the first prize in the competitive drill on Tuesday.

GEORGE J. MATHISON.

## Funeral of John E. Mendel.

The funeral of the late John E. Mendel occurred yesterday afternoon, from the home of his son-in-law, Dr. R. W. Tener, at Park View, and it was attended by a large concourse of sorrowing friends and relatives. Cyrene Commandery No. 7, Knights Templar, of which the deceased was a member, and a number from Wheeling commandery, No. 1, attended the funeral, and the Knights Templar funeral ritual was read at the services. The Knights were accompanied by Meister's band. The interment was at Greenwood cemetery.
